

ATTN: James Randel

Dear Jim,

I am writing to thank you for addressing our group at our annual dinner meeting. So far the response has been outstanding and exceptional. Our attendees said that they enjoyed your stories, your sense of humor, and your relaxed, informative presentation style. They all liked the fact that you knew your topic so well that you could relate your information right off the cuff and without the need for any presentation materials, at all. They also said that they liked that fact that you were "in the biz."

Most importantly, they all felt like they learned a lot.

Dealing with your office was great, too. Jeannette came through for us on all of our particulars. She helped us to have everything that we needed to be able to promote you and present you in the best light possible.

On behalf of our attendees and our organization we have just one screaming question... **"WHEN CAN YOU COME BACK!!!!!!?"**

Again, thanks for supporting us. If there is ever anything that we can do for you in return, please, let me know. The Northeast REIA is glad to have you as a friend.

Sincerely,
